

## 13 Ducats

Alex Wiley

This weed is too wild  
I done put up in the nile rider  
Be God damned if I am not aware  
Been feelin' like I'm sire  
I'm ballin' and my buyer  
I'm ballin' up your entire year  
I'm not sold  
That all these things I want will make me complete  
My nights roam  
I might wake up and wander 'round the country  
Side  
Penetrating the dome  
And embracing the zone  
Niggas love to be late  
Niggas hate to be wrong  
Guess that's just how it goes  
I guess I'm just supposed to fold  
Not me my nigga no, Wiley got 'em exposed  
I be off in the corner  
I don't like labels, I don't like when people call me a loner  
I don't like labels, I don't like when they be callin my phone uh  
Weed they be smoking  
Weed they be rapping  
Weed they be boostin'  
But we got the vision  
We got ambition  
We'll show you both em

Oh oh oh oh oh oh oh  
You're forgiven, for your insolence  
Oh aw eh aw eh ahh  
Aw aw aw, ah ah  
You're forgiven for you're insolence

Look now, tell me how it look now  
Cause we headed from the ground but I will not look down  
Tell me baby  
Look now, tell me how it look now  
Cause we headed from the ground but I will not look down

And I bet them niggas from 'round the way  
Wonder why I don't fuck with dem  
You know why I don't fuck with dem?  
Don't get high or get drunk with dem?  
Cause when wiley was startin off man them niggas didn't fuck with him  
I'm just stackin' my ducats then  
By my lonesome like fuck it then  
Nigga uh

Oh oh oh oh oh oh oh  
You're forgiven, for your insolence  
Oh aw eh aw eh ahh  
Aw aw aw, ah ah  
You're forgiven for you're insolence

I'm just wonderin if it's all good  
Like it's all good now, it's all good

I'm just wonderin if it's all good  
Like it's all good now, it's all good

I'm just wonderin if it's all good  
Like it's all good now, it's all good

I'm just wonderin if it's all good  
Like it's all good now, it's all good
