

# Holy Ghost

Alex Wiley

Whoa whoa whoa whoa  
No no no no no no no no  
I never go never go never  
I never go  
Haha there she go

She is fine  
I caught the holy ghost  
Level nine  
I'm on the glory road  
You say you shine well you should show me so  
You say you shine well you should show me soooo  
Ooooooooooooo

Lil mama fine as she wanna be  
Wherever she spend her time that's where I wanna be  
Pull up with the dumper under the seat  
I just pray to God they don't fuck with me  
But I know what I know  
I ride with a double  
I ride bitch I ride  
Tell me why would you fuck up  
The vibe bitch so high  
Why am So high as a jubo I fly I fly  
I've been riding and gliding the die bitch  
I ride with and beside it and I know  
What I know

She is fine I caught the holy ghost  
Level nine I'm on the glory road  
You say you shine well you should show me so  
You say you shine well you should show me soooooooooo  
Mam mam mama mam mam mama mam  
Mam mam mama mam mam mama mam  
Mam mam mama mam mam mama mam

They say the pullin up bulshit is not the FBI  
I just know we gonna have a hell of a night  
Groovin she wanna do me  
Do me she like my style  
Thinks it's a movie movie  
Am fresh in town I just be movin movin  
I just be on the run on the run  
To the sun am the one  
I didn't really expect you to get it  
Guess we better part and we bout to see yah shadow

She is fine I caught the holy ghost  
Level nine I'm on the glory road  
You say you shine well you should show me so  
You say you shine well you should show me soooooooooo  
Show me show me show me
