

iNEEDTHAT

Alex Wiley

Oh yes I need that
No such thing as life without the stress
But I need that
Quick to hit you up about the cheque
Like I need that
Come at me with any disrespect
I don't need that
Quarter P of tree to decompress
Like I need that

I've been known to go against the grain
Everybody know that I'm spitting the flame
Did it once and damn he did it again
Please don't ever fucking get in my way
And I lowkey don't see shit in my way
And I'm lowkey way ahead of the game
Out the cage I can never be tamed
I just keep right on it
Burnin it Burnin it I just keep learning I feel like Copernicus ayy
See me on the track and you know that I murdered it I'm not concerned with i
