The clouds around my shoulder I feel fine  
The clouds around my shoulder I feel fine  
The clouds around my shoulder I feel fine

I

They was trying to rush I take my time

I

It's like they all waiting on some type of sign

I don't wanna wait anymore

With the clouds around my shoulder I feel fine

I

They gon' trying to rush I take my time

I

Oh I'm lifted

I'm lifted lifted lifted lifted

Lifted lifted lifted lifted

Lifted lifted lifted lifted

It's like they all waiting on some type of sign

It's like they all waiting on some type of sign

It's like they all waiting on some type of sign

It's like they all waiting on some

Demonstrated the efficiency of our system of maintaining equilibrium, and also the accuracy of the laboratory work upon which the design of the glider was based. We then felt we were prepared to calculate in advance the performance with a degree of accuracy that had never been possible with data and tables possessed by our predecessors

With the clouds around my shoulders I feel fine

I

They was trying to rush I take my time

I

I don't wanna wait anymore

The clouds around my shoulders I feel fine

I

They was trying to rush I take my time

Oh I'm lifted

I'm lifted lifted lifted lifted

Lifted lifted lifted lifted

Lifted lifted lifted lifted
