Alex Wiley

Uhhh, aye  
Who are these niggas tryna talk down upon me?  
I don't know? But I know they got me fucked up, my brother  
In our history together made you feel  
Like I be the right one to try it on  
I'm just kicking back on my xylophone  
You call me up you get this dial tone  
I hit the booth, I get my fire on  
It's only invested, I only accepted  
It goes on my chest, so they don't even question  
It's so interesting bitch shut up and listen you might learn a lesson  
Keep it one million you might earn a blessin'  
Damn, bitch goddamn, aye  
And I said no, I think I'mma have to pass  
Disrespectfully declining yo bitch ass  
Aye aye  
But no, I think I'mma have to pass  
Disrespectfully declining yo bitch ass  
Aye aye

You don't understand me, that's understandable  
But why? everything you do so goddamn under handed though  
You don't understand me, that's understandable  
But why? everything you do so goddamn under handed though  
Just know

We are the ones, we are the givers  
We are the sun, we are the river  
Sometimes I gotta just look in the mirror  
Say I am that nigga, I am that nigga  
We are the ones, we are the givers  
We are the sun, we are the river  
Sometimes I gotta just look in the mirror  
Say I am that nigga, I am that nigga

Ohh, ohh, oh, woah  
I'm that nigga  
Ohh, ohh, oh, woah  
I'm that nigga, yeah  
Ohh, ohh, oh  
I'm that nigga, I'm that nigga  
Ohh, ohh, oh  
I'm that nigga, I'm that nigga  
Ohh, ohh, oh  
I'm that nigga, I'm that nigga  
Ohh, ohh, oh

We are the ones, we are the givers  
We are the sun, we are the river  
Sometimes I gotta just look in the mirror  
Say I am that nigga, I am that nigga  
We are the ones, we are the givers  
We are the sun, we are the river  
Sometimes I gotta just look in the mirror  
Say I am that nigga, I am that nigga

You don't understand me, that's understandable

But why? everythin' you do so goddamn under handed though  
You don't understand me, that's understandable  
But why? everythin' you do so goddamn under handed though  
Just know
