

# Top of the World

Alex Wiley

(Thirst thought you my)  
Hang if you wanna come hang  
We can roll up 10 thangs if you wanna  
They know what I be on  
Not no fucking styrofoam  
They know what I be on straight marijuana  
(Yeah)

I was 16 and came a little bit close to killing myself  
I apologize when I came on the other side  
I was feeling myself  
That's my shit that's nothing thay you got to deal with  
I just figured I stay on some real shit, some for real shit here  
I feel like I can do anything as long as I'm not being lazy  
(Oh ya, ya, ya, ya, ya)  
I feel like I can do anything as long as these niggas don't play me though  
(Oh ya, ya, ya, ya, ya)  
I feel like I can do anything as long as I stay by my lonely  
(Oh ya, ya, ya, ya, ya)  
I feel like I can do anything as long as they don't really know me though  
(Oh ya, ya, ya, ya, ya)

You know where to find me  
You know where to find me  
You know where to find me  
You know where to find me  
You know where to find me  
But maybe you don't

If you need me you can meet me on top of the world  
I'm on top of the world  
I'm on top of the world  
If you need me you can meet me on top of the world  
I'm on top of the world  
I'm on top of the world

I remember really feeling way down  
I'm stuck with my army now  
I'm stuck in my highs like la-la-lalala-la-la-la

I hear the voices they come from my niggas  
They just want to tell me lies  
Niggas be hating so hard on the boy and they can't even tell you why  
But I don't be giving a fuck what they're saying  
I've said that a million times  
I don't be giving a fuck what they're saying  
I've proved that a million times  
But hey all that I pray  
Is that we remain unphased, unscaved oooohhhhh  
Hey all that I pray  
Is that we remain unphased, unscaved ehhhh

You know where to find me  
You know where to find me  
You know where to find me  
You know where to find me  
You know where to find me

But maybe you don't

If you need me you can meet me on top of the world  
I'm on top of the world  
I'm on top of the world  
If you need me you can meet me on top of the world  
I'm on top of the world  
I'm on top of the world

You know where to find me  
You know where to find me  
You know where to find me  
You know where to find me  
You know where to find me

Hang if you wanna come hang  
We can roll up 10 thangs if you wanna  
They know what I be on  
Not no fucking styrofoam  
They know what I be on straight marijuana  
(Yeah)

If you need me you can meet me on top of the world  
I'm on top of the world  
I'm on top of the world  
If you need me you can meet me on top of the world  
I'm on top of the world  
I'm on top of the world

Hang if you wanna come hang
