

## Choice Notes

Alex Winston

When I'm feelin' low  
These are my choice notes  
when I'm down on the floor  
I shake it for your holy ghost  
and I sip it off, I sip it off  
I spit it out, it sounds real nice  
I sip it off I sip it off  
I spit it out, I'm satisfied

Oh Jameson  
You should be weighing on my soul now  
But I turn the music loud  
Get ready to go

Oh Oh Oh Oh Oh Oh  
These are my choice notes  
Oh Oh Oh Oh Oh Oh  
its 3:45 and I'm still on a roll  
Oh Oh Oh Oh Oh Oh  
these are my choice notes  
its 3:45 and I'm still on a roll

And what you don't know  
cant slow my tempo  
though you beat at my bones  
won't catch me singing sad prose  
and I sip it off, I sip it off  
I spit it out, it sounds real nice  
I sip it off I sip it off  
I spit it out, I'm satisfied

Oh Jameson  
You should be weighing on my soul now  
But I turn the music loud  
Get ready to go

Oh Oh Oh Oh Oh Oh  
These are my choice notes  
Oh Oh Oh Oh Oh Oh  
its 3:45 and I'm still on a roll  
Oh Oh Oh Oh Oh Oh  
these are my choice notes  
its 3:45 and I'm still on a roll
