

Down Low

Alex Winston

[Verse 1]

You could fall in love, fall apart
But I don't really care as long as you fade away
To nothing more than a body in the yard
A constellation hidden in the dark
Just go

[Pre Chorus]

If I fight it
I am gonna lose it
Acting like an animal
I don't want you to know the truth

[Chorus]

Honey when I think of you
Drag my feet on the ground
Go steady with my head down low
I know it ain't right to hold tight
But I can't let go
No I can't let go

[Verse 2]

The golden night, you let it die
Conversation so bone dry
And I'm a fool to think that I'm fooling this
Cause my heart still bleeds like an idiot
And I know that you don't care about me anymore

[Pre Chorus]

[Chorus]

[Bridge]

And would I know I can't anymore
I never thought I'd need a song to show myself
That this is for my health

[Chorus]

[Chorus]

Honey when I think of you
Drag my feet on the ground
Go steady with my head down low
I know it ain't right to hold tight
But I can't let go
I can't let you go (7x)
