

# Believing In Magic (Yakap Mo)

Alexa Ilacad

Every time I dream  
It's always him  
And in my heart I can feel  
We will be together

Don't know where he is  
My heart can feel  
The day will come  
When he's mine  
It will be forever

Waiting for him  
Too long I feel  
To keep this love  
Deep inside me  
That' s so real  
So real

I'll keep believing in magic  
Someday, somehow my true love will come  
This maybe my last day alone  
'Cause there's someone for me  
Who will always be  
The one I love

'Pag nahihimbing  
Tangikong hiling  
Sa puso ko'y madamang  
Ikaw ang kasama

Nasa'n ka na  
Hinahanap ka  
Alam kong ika'y nariyan lang  
Makikita din kita

Sana ika'y makasama  
Ang yakap mo'y aking madama  
Umaasang darating ka  
Masabi ko sa 'yong  
Tanging pangarap ko  
Ang yakap mo

'Cause there's someone for me  
Who will always be  
The one I love

I'll keep believing in magic  
Someday, somehow my true love will come  
This maybe my last day alone  
'Cause there's someone for me  
Who will always be  
The one I love

'Cause there's someone for me  
Who will always be  
The one I love
