

# When I See You Again

Alexa Ilacad

Not so familiar faces  
All stuck in one place and  
We've got a story to tell  
With faith and patience  
And perseverance  
We thrived through every challenge

And we will remain as one  
Even if yesterday's gone

We've found a home within these walls  
We've found comfort in each other  
Don't wanna say goodbye  
Don't wanna see you cry  
Just wanna see your smile  
When I see you again

Laughed through all the bad days  
Said words we wished we didn't say  
Yet still held hands as we prayed  
We've made new memories that'll  
Last a lifetime  
Seems a replay in my mind

And we will remain as one  
Even if yesterday's gone

We've found a home within these walls  
We've found comfort in each other  
Don't wanna say goodbye  
Don't wanna see you cry  
Just wanna see your smile  
When I see you again

I'll never forget the voice  
That lifted all our spirits  
Broke down our walls and gave us  
The greatest gift

We've found a home within these walls  
We've found comfort in each other  
Don't wanna say goodbye  
Don't wanna see you cry  
Just wanna see your smile  
When I see you again  
When I see you again  
See you again
