

## distraction

AleXa

Wake up  
If he only calls past 2 AM  
And you still  
Wait up  
If he's too broke to pay his rent  
And you still  
Make up  
Really dumb excuses to your friends  
Clearly you just wanna play pretend  
Not again, not again

If I could go back in time  
And change my mind  
And save me the heartbreak  
Tell me he's not the one  
Girl, you should run  
It's a fuckin' mistake

Cause it's not love it's just a new distraction  
Self sabotage is sex like it never happened  
In his dirty apartment  
He's not the best  
He's a regret  
Stop cryin' over someone  
Who's ignoring your texts  
Cause it's not love it's just a new distraction  
You should put the phone down

Lied to my therapist  
Said I cut him off  
Just to save me the embarrassment  
Swore I would marry him  
But really I was just okay with settling

If I could go back in time  
And change my mind  
And save me the heartbreak  
Tell me he's not the one  
Girl, you should run  
It's a fuckin' mistake

Cause it's not love it's just a new distraction  
Self sabotage is sex like it never happened  
In his dirty apartment  
He's not the best  
He's a regret  
Stop cryin' over someone  
Who's ignoring your texts  
It's not love it's just a new distraction  
You should put the phone down

He's such a loser  
Girl, you're just losing it  
I know the truth hurts  
But he's a piece of shit  
He's such a loser  
Girl, you're just losing it

I know the truth hurts  
But he's a piece of shit

Cause it's not love it's just a new distraction  
Self sabotage is sex like it never happened  
In his dirty apartment  
He's not the best  
He's a regret  
Stop cryin' over someone  
Who's ignoring your texts  
Cause it's not love it's just a new distraction  
You should put the phone down

He's such a loser  
Girl, you're just losing it  
I know the truth hurts  
But he's a piece of shit  
He's such a loser  
Girl, you're just losing it  
I know the truth hurts  
But he's a piece of shit
