Ooh-ooh-ooh-ooh
Yeah, yeah, yeah, yeah

Pullin' the strings on my heart (Ah-ah)
How did you make it this far? (Ah-ah)
Duckin' and dodgin' security measures
I put up to make catching feelings hard
I just wanna know
How you could warm my heart that's so cold
Losin' my control
You got me close to letting you closer

But I know how these things work out
Fun to believe, but they always leave

Heart fillin' up, I think I'm in trouble
Bet that you'll let me down by double
Off with your head, stop thinking I love ya
Wonder if we had a chance, maybe back in Wonderland
You threw my head and my heart off balance
You gave me thoughts of a prince and palace
Nan gireul ileobeorin Alice
Wonder if we had a chance, maybe back in Wonderland

Boy, you got me goin' down the rabbit hole
Got me foammin' at the mouth like a rabid dog
I'ma have to put myself on a leash though
Livin' rent-free in my head, here's your lease though
Again and again, you keep my thoughts comin' back
And you ain't even a dealer but I still beez in your trap
I need a doctor, a doctor, my heart is under attack
But it's too good to be true, but then it's usually that

But I know how these things work out
Fun to believe, but they always leave

Heart fillin' up, I think I'm in trouble
Bet that you'll let me down by double
Off with your head, stop thinking I love ya
