

It rained on my birthday  
 Thanks for the text though  
 For a quick second  
 It really let me forget no  
 But when I came back down  
 Oh it felt all wrong  
 Yea it was still raining  
 And you were still long gone

I'm not happy I still want you  
 Cuz I want you to be happy  
 There's a part of me I hate  
 That hopes that maybe you still want me  
 Am I just a shitty human  
 Or are humans all just shitty  
 I don't know

Oh I get physically ill  
 When I think about  
 You getting physical with someone else  
 Fuck that  
 I guess it's your right to do so  
 And it's my right to feel like shit

I still think about you  
 In the shower  
 Wash the shampoo out my hair  
 Not too long ago I'd open up my eyes  
 And you'd be standing there

I still think about you  
 In the shower  
 Used to help me wash my back  
 Now I sit and let the water hit me  
 Wondering who's feeling your hands

I'm not happy I still want you  
 Cuz I want you to be happy  
 There's a part of me I hate  
 That hopes that maybe you still want me  
 Am I just a shitty human  
 Or are humans all just shitty  
 I don't know

Oh I get physically ill  
 When I think about  
 You getting physical with someone else  
 Fuck that  
 I guess it's your right to do so  
 And it's my right to feel like shit
