Lucky

Alexander 23

How lucky am I?
How lucky am I, yeah
To love somebody?
To love somebody

How lucky am I?
How lucky am I, yeah
To love somebody?
To love somebody like

You are the voice in my head
Something I cannot forget
Your word is gospel and I
Want you

Moving at the speed of light
Two wrongs could still make a right
If you believe it and I
Want to

How lucky am I?
How lucky am I, yeah
To love somebody?
To love somebody

How lucky am I?
How lucky am I, yeah
To love somebody?
To love somebody like

Sometimes I wish you would've
Stayed in my dreams 'cause
Now that you're real
Now I could lose ya
Nothing lasts forever
Ain't as bad as it seems
'Cause my favourite thing to do
Is to do nothing with you

How lucky am I?
How lucky am I, yeah
To love somebody?
To love somebody

How lucky am I?
How lucky am I, yeah
To love somebody?
To love somebody like

To love somebody
To love somebody

To love somebody
To love somebody

It's not everyday
You could hear me say

You could hear me
I love somebody
I love somebody

It's not everyday
You could hear me say
You could hear me
I love somebody
I love somebody, yeah
