Sad

Alexander 23

You're just too good at being sad
I'm just a Band-Aid on a broken heart
Yeah, I'm the best at making you laugh
For a breath, and you're back in your head, you're so sad
You're so sad

Don't know if I'm hurting or helping
It's just so damn hard to tell when
You're just too good at being sad
I'm just a Band-Aid on a broken heart, yeah
Yeah, I'm the best at making you laugh
For a breath, and you're back in your head, you're so-

Sad, sad, sad, sad
Sad, sad, sad, sad
Sad, sad, sad, sad
Sad, sad, sad, sad

All I wanna do is take the sad from you, but I can't and you wo
uldn't let me anyways
All I wanna do is take the sad from you, but I can't and you wo
uldn't let me anyways
All I wanna do is take the sad from you, but I can't and you wo
uldn't let me anyways
All I wanna do is take the sad from you, but I can't and you wo
uldn't let me anyways

Don't know if I'm hurting or helping
It's just so damn hard to tell when
You're just too good at being sad
I'm just a Band-Aid on a broken heart, yeah
Yeah, I'm the best at making you laugh
For a breath, and you're back in your head, you're so-

Sad, sad, sad, sad
Sad, sad, sad, sad
Sad, sad, sad, sad
Sad, sad, sad, sad
