

Track 9

Alexander 23

Hey
It's been a while since we've talked
I see you made it all the way
To track 9

So thanks
For listening to all my thoughts
I used to give 'em to you straight
But now you wait for the release date

And
You're probably wondering
Where are all the songs about us
I hear 'em in my head
But I can't write 'em down cuz
Once the pens to paper
Then it's really really over
And I'd much rather pretend
That maybe we're still okay

We're still okay

Damn
I really hope that by the fall
We'll find the peace we're missing in the missing pieces

Oh yeah
And I hope we look back at this song
As the beginning of the rest and not the ending of the mess but
now

You're probably wondering
Where are all the songs about us
I hear 'em in my head
But I can't write 'em down cuz
Once the pens to paper
Then it's really really over
And I'd much rather pretend
That maybe we're still okay

We're still okay
