

# Toe Tag

Alexander Jean

It's lookin' like this is the end  
Well, I guess that really depends  
Time is never perfectly spent  
If I could, I'd do it all over again

With my toe tag swingin'  
While my bones crack  
Freezin' from the meat rack  
Where is my lover?  
If I could come back  
Would I even want that  
All I'd do is feel sad  
Lookin' for ya, ya

Diggin' ya I'm diggin'  
I'm digging you up  
Now I'm diggin'

I'm drinkin' at our favorite place  
Without you the sex ain't the same  
I maybe might of made a mistake  
If you could, I'd do it all over again

I shoulda thought twice before skinnin' my teeth  
Am I killin' time or is time killin' me  
I'm losing it  
No one is a perfect human  
I'm proof of it  
If you were here I'd do it again

With my toe tag swingin'  
While my bones crack  
Throwin' back a six-pack  
Where is my lover  
If I could come back  
Would I even want that  
All I'd do is feel sad  
Lookin' for ya, ya

Diggin' ya I'm diggin'  
I'm diggin' you up  
Now I'm diggin', diggin' you up  
Ya I'm diggin', I'm diggin' you up  
Now I'm diggin'  
Where is my lover  
Where is my lover

With my toe tag swingin'  
While my bones crack  
Rollin' up a zig-zag  
Where is my lover  
If I could come back  
Would I even want that  
All I'd do is feel sad  
Lookin' for ya, ya

Diggin' ya I'm diggin'

I'm diggin' you up  
Now I'm diggin', diggin' you up  
Ya I'm diggin', I'm diggin' you up  
Now I'm diggin'  
Where is my lover  
Where is my lover  
Where is my lover
