

# Vulnerable

Alexander Jean

I've built walls  
Without even meaning to  
They try to protect me  
When my heart is out to get me  
But I fell hard  
Now I don't know what to do?  
I would rather push away  
Then let you see me break

It was easy moving on  
When I didn't care enough  
It was easier to run  
But the hardest thing that I have ever done  
Was let you in to see me vulnerable

I got scars  
I didn't want to show to you  
They make me feel ugly  
But I hope that you won't judge me when I  
Say I need space  
That really means I'm needing you  
I can't explain my crazy  
So just be there for me baby

It was easy moving on  
When I didn't care enough  
It was easy acting tough  
But the hardest thing that I have ever done  
Was let you in to see me vulnerable

I'm letting go  
Cuz nobody deserves to die alone  
And if I lose in love again  
It's better than to never love at all

It was easy moving on  
When I didn't care enough  
It was easy before us  
But the hardest thing that I have ever done  
Was let you in to see me vulnerable  
Let you in to see me vulnerable  
Let you in to see me vulnerable
