

# A Broken Heart Can Mend

Alexander O'Neal

A broken heart  
A broken heart  
A broken heart can mend

A broken heart  
A broken heart  
A broken heart can mend

Sometimes I'm scared to get too serious  
I get the feeling that  
I'm all locked in  
You might be the girl who will break my heart  
If I take this chance  
And go out on a limb

I know from experience  
When you fall in love  
Something sure do break your heart

A broken heart  
A broken heart  
A broken heart can mend

A broken heart  
A broken heart  
A broken heart can mend

I can't get a wink of sleep  
I'm always wondering who you're with  
So if I keep you near to me  
I'm gonna save myself a lot of grief  
And maybe I'll fall in love  
If you catch my fall  
And you never break my heart, baby

A broken heart  
A broken heart  
A broken heart can mend

A broken heart  
A broken heart  
A broken heart can mend

A broken heart  
A broken heart  
A broken heart can mend

A broken heart  
A broken heart  
A broken heart can mend

A broken heart, a broken heart  
A broken heart can mend  
A broken heart, a broken heart  
A broken heart can mend

Oh, girl, oh baby

It takes a little time  
Then you can love again  
But I ain't got the time  
To get through another heartbreak
