Innocent

Alexander O'Neal

Young and tender
I think you're the girl for me
??? real tight
We should hit it off, and she said

You're too fast
It won't last
You can call me
Innocent

You're just what I'm looking for
A girl that's not so fast she can't slow down
Without too much experience
You fit the bill 'cause you're so innocent

Innocent
Innocent (I'm looking for a girl who's)
Innocent (Girl, innocent)
Innocent

Got a lotta love
Got a lotta love for you
Just say it's alright
And I will give it all to you, oh

Should I go
Lose control
Or should I stay
Innocent

You don't have to be so cautious
Every time I ask you turn me down
All I want to do is love you
It can't be all bad, I just want someone who's

Innocent (Innocent)
