Alexander O'Neal

Midnight run
Just for fun
Positively entertaining

I'm just a man all alone
You're just a woman
But your house is not a home
Your husband's left you and gone
Oh, so long ago

Now you can't seem to find
Find the time
The time to get together
You work hard, so do I
And when all is said and done

You need a midnight run
Just for fun
Positively entertaining
Midnight run
Just for fun
Positively entertaining

I know your commitment is strong
You want your children to know right from wrong
You're a good mother that's true

'Cause it's our time to sneak out for a

Midnight run
Just for fun
Positively entertaining
Midnight run
Just for fun
Positively entertaining
Midnight run
Just for fun
Positively entertaining
Midnight run
Just for fun
Positively entertaining

Positively entertaining
Positively entertaining

Take the time wine and dine
You know exactly what I'm thinking of
Leave all your cares far behind
Because the night time is the right time

For a midnight run
Just for fun
Positively entertaining

Midnight run
Just for fun
Positively entertaining
Midnight run
Just for fun
Positively entertaining
