

# Sleigh Ride

Alexander O'Neal

Season's greetings, hey, let's have some fun  
Oh, ho, ho, ho, ho, ho  
Dashing through the snow with Santa Claus  
Oh

Every Christmas Eve I could never get to bed  
'Cause from the clouds above I hear sounds of jingle bells  
Be on the look out  
When Santa picks me up for a

I've been good all year to make sure Santa comes  
No, the presents I don't want, just a ride with old Blitzen  
And Comet and Cupid  
And Donner and Rudolph
