

When The Party's Over

Alexander O'Neal

Having a good time
Dancing close to you, girl
Last dance is ending
I don't wanna let you go, oh no

So please excuse me
If I come up kinda strong
But the night is almost gone
What I'm trying to say is that

There's no need to leave
When the party's over
There's no need to go
When the party's over

Understand me
I'm not forcing anything
I just wanted you to stay
So I thought I'd tell you this

There's no need to leave
When the party's over
Baby, baby, no
There's no need to go
When the party's over, oh...

There's no need to leave
I don't wanna be alone, baby, no
There's no need to go
Stay with me, stay with me, baby

Don't go, stay with me, baby
Love me, baby, all, all, all night, all night
Gonna be alright, it's gonna be alright
It's gonna be all...sweet baby, girl

There's no need to go

Stay with me, baby...
