

## Bad Intentions

Alexander Oscar

Wake up Sunday morning alone  
Used to call you but I don't do anymore  
Why can't we be honest? We both know  
That the silence is a sign, we should let go

And I wanna know, I wanna know, I wanna know  
Where do we go? Where do we go? Where do we go?  
I turn on my phone, I'm on my own, I'm feeling reckless  
And I can't help it, no, I can't help it

'Cause I got bad intentions tonight  
I might make you jealous, I might  
No, I'm not really here for conversation, baby  
Just here to lose myself  
'Cause I got bad intentions tonight  
I might make you jealous, I might  
No, I'm not really here for conversation, baby  
Just here to lose myself (Oh, lose myself)

We're just way too different right now  
Maybe one day, back to old ways, ah  
So I'll go with my instincts, I know  
That what I'm missing I wanna find in someone else

And I wanna know, I wanna know, I wanna know  
Where do we go? Where do we go? Where do we go?  
I turn on my phone, I'm on my own, I'm feeling reckless  
And I can't help it, no, I can't help it

'Cause I got bad intentions tonight  
I might make you jealous, I might  
No, I'm not really here for conversation, baby  
Just here to lose myself  
'Cause I got bad intentions tonight  
I might make you jealous, I might  
No, I'm not really here for conversation, baby  
Just here to lose myself (Oh, lose myself)

Woo!  
Yeah, I got bad intentions  
Got bad intentions, baby (Oh, yeah, yeah, yeah)  
Got bad intentions  
Got bad intentions

'Cause I got bad intentions tonight  
I might make you jealous, I might  
No, I'm not really here for conversation, baby  
Just here to lose myself
