

Ocean View

Alexander Oscar

Let me just take a minute
I know those eyes, I know that smile, yeah
Baby, just take a minute
Remember the times, all of the nights we had

Now, baby, I'm drownin', drownin', drownin', drownin'
Old memories are working their way back to my head
Oh, baby, I'm fallin', fallin', fallin' again
Now, I only have one thing to ask

Yeah, I wanna know
Do you remember me?
Girl, I want you to
'Cause I remember missin' you
We used to fuck for hours with an ocean view
Now, I wonder why you act like a fool

'Cause you used to want it bad
Scratch marks on my back from
You, you, you, you, yeah
You, you, you, you
Yeah, I know your freaky sides
All the things you like
You, you, you, you, yeah
You, you, you, you

So what are you up to lately?
Did you graduate, find your own place? Yeah

Now, baby, I'm drownin', drownin', drownin', drownin'
Old memories are working their way back to my head
Oh, baby, I'm fallin', fallin', fallin' again
Now, I only have one thing to ask

Yeah, I wanna know
Do you remember me?
Girl, I want you to
'Cause I remember missin' you
We used to fuck for hours with an ocean view
Now, I wonder why you act like a fool

'Cause you used to want it bad
Scratch marks on my back from
You, you, you, you, yeah
You, you, you, you
Yeah, I know your freaky sides
All the things you like
You, you, you, you, yeah
You, you, you, you

Yeah, I was too involved tryin' to make a livin'
Hold on
And I want you to know I'm trying to be different
All because

'Cause you used to want it bad
Scratch marks on my back from

You, you, you, you, yeah
You, you, you, you
Yeah, I know your freaky sides
All the things you like
You, you, you, you, yeah
You, you, you, you

Did you miss me, oh, miss me, did you miss me too?
'Cause I remember missin' you, oh
Did you miss me, oh, miss me, did you miss me too?
'Cause I remember missin' you
So what are you up to lately?
