

# Question Mark

Alexander Oscar

Yeah, yeah

We could go solo  
We could go solo but I wouldn't like to  
No, I wouldn't like to, nah  
Yeah, although you've heard things  
Yeah, I know you've heard things, I wouldn't lie, no  
No, I'll never lie to you  
So I keep saying

Honestly, just believe that's not me  
You're making me feel like I'm evil (ooh-ooh-ooh)  
Trust in me, nobody but you and me  
Gotta hold off yourself and just listen

You got me feeling like you're breaking up  
Rumors all around and you pick 'em up  
Like you'd know, like you'd know  
Eleven I was dead and yet we're making out  
Everything we are becomes a question mark  
I'm so lost, I'm so lost (yeah-yeah-yeah-yeah-yeah)

Drunk on the dancefloor  
Got lost in your rhythm, oh, my obsession  
You became my obsession, yeah  
But babe, all this drama  
Keeps on making it harder though you're my blessing  
I hope you're getting the message

Honestly, just believe, that's not me  
You're making me feel like I'm evil

You got me feeling like you're breaking up  
Rumors all around and you pick 'em up  
Like you'd know, like you'd know  
Eleven I was dead and yet we're making out  
Everything we are becomes a question mark  
I'm so lost, I'm so lost

Honestly, just believe, that's not me  
You're making me feel like I'm evil (making me feel like I'm evil)  
Trust in me, nobody but you and me  
Gotta hold off yourself and just listen

You got me feeling like you're breaking up  
Rumors all around and you pick 'em up  
Like you'd know, like you'd know  
Eleven I was dead and yet we're making out  
Everything we are becomes a question mark  
I'm so lost, I'm so lost
