Woke up in the morning
Girl I've been feeling so good, good
All eyes on me, yeah!
It's like I'm in Hollywood

I've been working hard
Yeah I've been working hard
And after waiting all this time
I wanna celebrate now
It feels like I'm losing my mind

It's the greatest news:
I got a thousand views!
It's the greatest news:
Mmm! I got a thousand views!
