

# Kid

Alexander Rybak

Every time I try to satisfy  
Every person and every need  
I end up pretending I'm someone else  
And that someone, it ain't me

They say it's time for you to grow up  
Cause you can't go on like this  
Just get a life like everyone else  
You can't stay forever a kid

But I don't wanna grow up  
She is perfect the way it is  
Don't wanna be like everyone else  
So I'll stay forever a kid!

Me and my friends got our own little family  
And we don't care for the rules  
Too much  
Me and my friends (we) get into all kind of ships  
And some people can't handle us

They can't stand how I play by my own rules  
They see red when I'm making my old tunes  
Somebody told me act your own age fool!  
But, I forgot my own age, sir

And when I tryna' fit in with society  
People say somethings wrong with me  
I guess the world ain't what it used to be  
So I'll stay in my fantasy

They say it's time for you to grow up  
Cause you can't go on like this  
Just get a life like everyone else  
You can't stay forever a kid

But I don't wanna grow up  
She is perfect the way it is  
Don't wanna be like everyone else  
So I'll stay forever a kid!

I need nobody  
To teach me who to be  
So if you tell me I gotta grow up  
I just gotta disagree

And I need nobody  
To tell me what to do  
Cause life is much better  
From a childish point of view

No, I need nobody  
To teach me who to be  
So if you tell me I gotta grow up  
I just gotta disagree

And I need nobody

To tell me what to do  
Cause life is much better  
From a childish point of view

Every time I try to satisfy  
Every person and every need  
I end up pretending I'm someone else  
And that someone, it ain't me

They say it's time for you to grow up  
Cause you can't go on like this  
Just get a life like everyone else  
You can't stay forever a kid

But I don't wanna grow up  
She is perfect the way it is  
Don't wanna be like everyone else  
So I'll stay forever a kid!
