

# MAYBE

Alexander Rybak

Maybe one day spring will last forever  
All the tears washed away  
Maybe you return and we get back together  
Finding happiness in every single day  
Maybe you return and we get back together  
Maybe one day, maybe never

Maybe soon you get feelings for another  
And we will meet just as friends  
Maybe then we'll learn to forgive each other  
And we both know, my love for you will never end  
Maybe then we'll learn to forgive each other  
When you maybe find another

Aaaah. Ooh  
Maybe then we'll learn to forgive each other  
When you maybe, maybe...

And I know how dreaming of a maybe  
Could be my final dream  
Maybe I'm a fool, but I miss you baby  
And once you said that nothing's lost if you believe  
Maybe I'm a fool, but I miss you baby  
So I'll be satisfied with maybe
