

# Backwards

Alexander Stewart

I don't wanna hit reverse  
You've already got me in so deep  
It's only gonna make it worse  
We break up, make up, on repeat

Wait a minute  
Am I losing my mind?  
Tell me are you with it  
'Cause you keep tryna rewind  
Say you're coming over  
Is that just another line  
(Is that just another line)

Yeah we would talk all the way through the night  
Pick you up and we drive  
No I never thought we'd been stopping  
You keep saying we're fine  
But the look in your eyes  
Oh it just can't lie

I don't wanna hit reverse  
You've already got me in so deep  
It's only gonna make it worse  
We break up, make up, on repeat

Oh oh oh oh oh oh  
We're going backwards  
Oh oh oh oh oh oh  
We're going backwards  
We're going backwards

I get the feeling  
That we're living in the past  
And I'm kinda stressin'  
Are we slipping through the cracks?  
When we find a present  
Is it ever gonna last?

Yeah we would talk all the way through the night  
Pick you up and we drive  
No I never thought we'd been stopping  
You keep saying we're fine  
But the look in your eyes  
Oh it just can't lie

I don't wanna hit reverse  
You've already got me in so deep  
It's only gonna make it worse  
We break up, make up, on repeat

Oh oh oh oh oh oh  
We're going backwards  
Oh oh oh oh oh oh  
We're going backwards

Talk all the way through the night  
Pick you up and we drive

No I never thought we'd been stopping  
You keep saying we're fine  
But the look in your eyes  
Oh it just can't lie

I don't wanna hit reverse  
You've already got me in so deep  
It's only gonna make it worse  
We break up, make up, on repeat

Oh oh oh oh oh oh  
We're going backwards  
Oh oh oh oh oh oh  
We're going backwards  
We're going backwards
