

# broken by you

Alexander Stewart

I keep staring at the bedroom door  
Knowing you don't wanna be here anymore  
I don't want you to go but it's time that I throw in the towel  
You were mine but was I ever yours?  
Got that look on your face that I can't ignore  
So if you're gonna go, could you let me down slowly for hours?

Pull me close, don't say you're sorry  
Leave your ghost, I'll let you haunt me  
I know how this goes, oh, I know

If it's inevitable my heart breaks  
And by the morning you say your mind's changed  
If I can't find you a reason to stay  
And my heart's gonna break  
Then at least I can say I was broken by you  
Wait just one more minute, I know it's too late  
To put the pieces of us back in place  
If my heart's gonna break  
Then at least I can say I was broken by you

Never been too good at goodbyes  
But for you, I would say it a thousand times  
Even knowing how it ends, I would love you just to lose you again

Pull me close, don't say you're sorry  
Leave your ghost, I'll let you haunt me  
I know how this goes, oh, I know

If it's inevitable my heart breaks  
And by the morning you say your mind's changed  
If I can't find you a reason to stay  
And my heart's gonna break  
Then at least I can say I was broken by you  
Wait just one more minute, I know it's too late  
To put the pieces of us back in place  
If my heart's gonna break  
Then at least I can say I was broken by you

You, ooh  
You, ooh  
You, ooh  
Broken by you  
You, ooh  
You, ooh  
You, ooh

If it's inevitable my heart breaks  
And by the morning you say your mind's changed  
If I can't find you a reason to stay  
And my heart's gonna break  
Then at least I can say I was broken by you
