

Enamorado

Alexander Stewart

Let's go somewhere far away
You know, make a great escape
This room's getting crowed and I want to
Explore where we wanna go

Let's just fly
'Til we're miles and miles away

Enamorado, feliz a tu lado
Are the few words that I know
I'm enamorado
Enamorado, feliz a tu lado
Are the few words that I know
I'm enamorado

Oooh, oooh, oooh
Enamorado
Oooh, oooh, oooh
Enamorado

Don't mind where we go from here
Cause you make the whole world disappear
You take me to places that I've never been
Explore where we wanna go

Let's just fly
'Til we're miles and miles away

Enamorado, feliz a tu lado
Are the few words that I know
I'm enamorado
Enamorado, feliz a tu lado
Are the few words that I know
I'm enamorado

Oooh, oooh, oooh
Enamorado
Oooh, oooh, oooh
Enamorado

These words that I say
Hope that they translate
Emotions that I can't conceal
No matter the language
I'll know how to tell you
I need you to know how I feel
Enamorado

Enamorado, feliz a tu lado
Are the few words that I know
I'm enamorado
Enamorado, feliz a tu lado
Are the few words that I know
I'm enamorado

Oooh, oooh, oooh
Enamorado

Oooh, oooh, oooh
Enamorado
