Alexander Stewart

Pressure  
Driving through LA  
I shoulda known better

I quit smoking  
It was easier than tryna quit you  
And I'm hoping  
That you'll fall in love with somebody new  
Cause I know it  
If it's up to me I'm not gonna choose  
To miss you

Running through places  
Flipping through phases  
All that I'm craving  
Is you  
Trying to change it  
Cause I can't face it  
All that I'm craving  
Is you

Pressure  
Driving through la  
I shoulda known better  
Than to hit you up this late  
Cause I never  
Have the heart to stay  
But I should know better  
Cause I still can't walk away

Walk away

It's ironic  
When I know you couldn't be worse for me  
But I want it  
The good the bad all the intbetween  
I can't stop it  
Think I'm in love with the misery  
Cause I want it  
No  
Running through places  
Flipping through phases  
All that I'm craving  
Is you  
Trying to change it  
Cause I can't face it  
All that I'm craving  
Is you

Pressure  
Driving through la  
I shoulda known better  
Than to hit you up this late  
Cause I never  
Have the heart to stay  
But I should know better  
Cause I still can't walk away

Walk away
