

# Starving

Alexander Stewart

You know just what to say, stuff that scare me  
I should just walk away, but I can't move my feet  
The more that I know you, the more I want to

Something inside me's changed  
I was so much younger yesterday

I didn't know that I was starving 'til I tasted you  
Don't need no butterflies when you give me the whole damn zoo  
By the way, by the way, you do things to my body  
I didn't know that I was starving 'til I tasted you  
By the way, by the way, you do things to my body  
I didn't know that I was starving 'til I tasted you

You know just how to make my heart beat faster  
Emotional earthquake, bring on disaster  
You hit me head on, got me weak in my knees

Yeah, something inside me's changed  
I was so much younger yesterday, so much younger yesterday

I didn't know that I was starving 'til I tasted you  
Don't need no butterflies when you give me the whole damn zoo  
By the way, right away, you do things to my body  
I didn't know that I was starving 'til I tasted you

By the way, right away, you do things to my body  
I didn't know that I was starving 'til I tasted you  
You you, yeah 'til I tasted you  
By the way, right away, you do things to my body  
I didn't know that I was starving 'til I tasted you  
I didn't know 'til I tasted you

The more that I know you, the more that I want to  
Something inside me's changed  
I was so much younger yesterday
