

## Crying All The Time

Alexandra Savior

My death, it haunts him like a ship  
Without a sail  
I know I'll be gone soon  
But just for him, I will prevail

He doesn't like it when I cry (Cry, cry, cry)  
He doesn't like it when I cry (Cry, cry, cry)  
He doesn't like it when I cry (Cry, cry, cry)  
And now he's gone, so I'm crying all the time

Crying all the time  
Crying all the time

My death, it taunts me like a ship  
Without a sail  
I know I'll be gone soon  
But just for him, I will prevail

He doesn't like it when I cry (Cry, cry, cry)  
He doesn't like it when I cry (Cry, cry, cry)  
He doesn't like it when I cry (Cry, cry, cry)  
And now he's gone, so I'm crying all the time

Crying all the time  
Crying all the time  
Crying all the time

He doesn't like it when I cry (Cry, cry, cry)  
He doesn't like it when I cry (Cry, cry, cry)  
He doesn't like it when I cry (Cry, cry, cry)  
And now he's gone, so I'm crying all the time
