

## Let Me Out

Alexandra Savior

Let me out, let me out!  
I'm holding back, I save myself  
I'm only half what I surrender to  
I'm holding back, I save myself

Let me out, let me out!  
I know there's nothing for me here  
I'm holding back, I save myself  
I'm only half what I surrender to

I know there's nothing  
I know there is nothing I  
Can do to change  
I know there's nothing  
I know there is nothing I  
Can do to change  
Your mind...  
Aaahh  
Your mind...  
Aaahh

Let me out, let me out!  
Let me out, let me out!  
Let me out, let me out!  
Let me out!
