

# Unforgivable

Alexandra Savior

You came  
You saw  
You knew what you were doing

I played, along  
And whistled my way through it

But I won't forget  
Mark my words  
I won't forget  
And I'll tell the world!

It's Unforgivable, ooh  
Unforgivable, to  
Oh to take a girl  
Keep her from the world  
Look at what you've done  
Why was I the one?...  
It's Unforgivable  
Unforgivable

I paid  
The cost  
And lead a life in ruin  
Pompeii  
Could not  
Hold a candle to it

But I won't forget  
(No no no)  
Mark my words  
I won't forget  
(No no no)  
And I'll tell the world!

It's Unforgivable, ooh  
Unforgivable, to  
Oh to take a girl  
Keep her from the world  
Look at what you've done  
Why was I the one?...  
It's Unforgivable  
Unforgivable

And when I get the chance  
I'll muster up  
Some recklessness  
And when I stick up  
For myself  
I'll use the knife  
That you once held  
And when its time  
For you to pay  
I'll send an invoice  
Right your way

And I won't forget

(No no no)  
Mark my words  
I won't forget  
(No no no)  
And I'll tell the world!

It's Unforgivable, ooh  
Unforgivable, to  
Oh to take a girl  
Keep her from the world  
Look at what you've done  
Why was I the one?...  
It's Unforgivable, ooh  
Unforgivable, to  
Oh to take a girl  
Keep her from the world  
Look at what you've done  
Why was I the one?...  
It's Unforgivable  
Unforgivable  
Unforgivable

(It's unforgivable!)  
Unforgivable  
(It's unforgivable!)  
Unforgivable  
(It's unforgivable!)  
Unforgivable  
(It's unforgivable!)  
Unforgivable  
(It's unforgivable!)
