

# Boy, Bye!

Alexandra Stan

Ah, ah, yeah, yeah, yeah

Boy, stop fooling around, stop thinking about it  
You don't want me falling  
Boy, I've been up and down, I've been up and down  
Would you feel my heartbeat?  
And if you're gonna lay your body next to mine tonight  
I know I can sacrifice  
The things will always stay the way we fantasize  
I know we can do this

Boy, boy, boy, boy, boy, boy, boy, boy, boy  
I'll break my heart for you  
Boy, boy, boy, boy, boy, boy, boy, boy, boy  
I'll break my heart for you

I keep fooling around, keep dreaming about it  
Boy, you know I'm falling  
Got those cherry lips that you like, I'll show you tonight  
Gonna make you love me

Boy, boy, boy, boy, boy, boy, boy, boy, boy  
I'll break my heart for you  
Boy, boy, boy, boy, boy, boy, boy, boy, boy  
I'll break my heart for you  
Boy, boy, boy, boy, boy, boy, boy, boy, boy  
I'll break my heart for you  
Boy, boy, boy, boy, boy, boy, boy, boy, boy  
Uh, ah, yeah

I wanna break this silence, it wrecks my heart  
It feels so alone  
I lost all my powers 'cause I've done it all  
I broke my heart for you

Why are we always stuck in this game?  
Fighting to walk away  
Now I gotta show you my fears and pain  
But at least we share the thing

Boy, boy, boy, boy, boy, boy, boy, boy, boy  
I'll break my heart for you  
Boy, boy, boy, boy, boy, boy, boy, boy, boy  
I'll break my heart for you
