

Rainbows

Alexandra Stan

Lately I've been feeling so lost
Chasing down all my biggest flaws, oh
Many said that I'd been insane
Fighting thunders and rain
Rain, rain

Now I'm in love with my rainbows
Ooh, ooh, ooh, ooh
I'm in love with my rainbows
Ooh, ooh, ooh, ooh

Nobody else can do it like you
I know who you are and you should know too
You should know
Your heart is the place where you can't undo
Just fall in love with your rainbows
Ah, ah, ah, ah

I'm in love with my rainbows
Ooh, ooh, ooh, ooh
Now I'm in love with my rainbows
Ooh, ooh, ooh, ooh
I'm in love with my rainbows
Ooh, ooh, ooh, ooh
Now I'm in love with my rainbows
Ooh, ooh, ooh, ooh
