

# Step It Up

Alexandra Stan

Run [?], gonna shake that ass  
Broke player, where you at

Hollaback

Hey, New York, here I am  
No, I got no plan  
Hands up in the air, chasing the good vibes  
Music on the blocks, fancy boulevards  
I'mma take a shot, looking for a good time

I gotta get a taxi now, tryna make my way downtown  
Riding on 5th Avenue, 1 on 1 on 2 on 2

Red light, don't don't don't don't stop  
We chasing, chasing them cops  
Full speed, on t-t-t-tops  
Step it up, come on  
Step it up, come on  
Red light, don't don't don't don't stop  
We chasing, chasing them cops  
Full speed, on t-t-t-tops  
Step it, step it  
Step it, step it like you don't care

Step it, step it up  
Step it, step it, step it up  
Step it, step it, step it up  
Step it, step it, step it up

Yo, New York, there you go  
Put on a show, I wanna know if it's true what they saying  
Forget the rest, put you to the test  
I can handle you, but can you handle me, yeah

I gotta get a taxi now, tryna make my way downtown  
Riding on 5th Avenue, 1 on 1 on 2 on 2

Red light, don't don't don't don't stop  
We chasing, chasing them cops  
Full speed, on t-t-t-tops  
Step it up, come on  
Step it up, come on  
Red light, don't don't don't don't stop  
We chasing, chasing them cops  
Full speed, on t-t-t-tops  
Step it, step it  
Step it, step it like you don't care

Step it, step it up  
Step it, step it, step it up  
Step it, step it, step it up  
Step it, step it, step it up

(Taxi driver) Just make it quick, make it quick  
(Taxi driver) Stop wasting my time  
(Taxi driver) Just make it quick, make it quick

(Taxi driver) Step it, step it up  
(Taxi driver) Step it, step it up  
(Taxi driver) Step it, step it up  
(Taxi driver) Step it, step it, step it up  
Come on now  
Step it, step it like you don't care

Step it, step it up  
Step it, step it, step it up  
Step it, step it, step it up  
Step it, step it, step it up
