

## Sometimes

Alexia

Sometimes I thought I gave you more than my life  
I just wanna tell you sometimes  
I thought I gave you more than my life  
Sometimes, sometimes  
What's going on with me  
I don't wanna feel this way  
Without a smile upon my face  
And if you're leaving now  
I wanna let you know  
That I'll be fine and let you go  
Whatever you wonder baby  
Whatever you do!  
Sometimes...  
I thought I gave you more than my life  
I just wanna tell you sometimes  
I thought I gave you more than my life  
Sometimes, sometimes...  
Don't wanna see me cry  
You got walk away  
Get up and leave me all my space  
I live my night and day  
Thinking about the way  
That I believe in God and faith...  
Whatever you wonder baby  
Whatever you do!  
Sometimes...  
Sometimes  
I thought I gave you more than my life  
I just wanna tell you  
Stop!
