The Real Thing

Alexia

I've got the real thing
Here by my side
Someone who loves me
Treating me right
Love makes the world go crazy
And I think I'm crazy for you
l need someone who'll save me
And you know I'm talking to you
Take me to your heart
When it's cold and dark
I just wanna feel the magic
Hold me in your arms
I've got the real thing
Here by my side
Someone who needs me
Holding me tight
Time takes your life and chances
And we all got so much to give
If real love is precious
Now I know it's time to believe
Every word you say
Show me that you care
I just want to say that
You're the answer to my prayer
