

# Love Mist

Alexis Jordan

The way, the way, the way you make me feel boy

Ooh oh, the way I feel when you touch me  
Ooh oh, no other like you can love me  
Ooh oh, the way I feel when we kiss  
Ooh oh, you got me feelin' love mist

It feels like sing-a-ling-ling boy  
When I think about us  
It feels like ting-a-ling-ling boy  
Feel the mist of our love  
Feels like ting-a-ling-ling boy  
When I think about us  
It feels like ting-a-ling-ling boy  
Feel the mist of our love

Can I get this feeling now  
Found no other in this world  
Bet it we can take it slow  
And forever be in love

Ooh oh, the way I feel when you touch me  
Ooh oh, no other like you can love me  
Ooh oh, the way I feel when we kiss  
Ooh oh, you got me feelin' love mist

Ooh oh, the way I feel when you touch me  
Ooh oh, you got me feelin' love mist

My arms need your love  
No one else's touch  
When I'm all alone  
Feels like my heart's crushed  
The feeling is right  
My days you'll make bright  
Together we rise  
Need your lovin' tonight

Can I get this feeling now  
Found no other in this world  
Bet it we can take it slow  
And forever be in love

Ooh oh, the way I feel when you touch me  
Ooh oh, no other like you can love me  
Ooh oh, the way I feel when we kiss  
Ooh oh, you got me feelin' love mist

Ooh oh, the way I feel when you touch me  
Ooh oh, no other like you can love me  
Ooh oh, the way I feel when we kiss  
Ooh oh, you got me feelin' love mist

Ooh oh, the way I feel when you touch me  
Ooh oh, no other like you can love me  
Ooh oh, the way I feel when we kiss  
Ooh oh, you got me feelin' love mist
