

# Again And Again

Alexis Munroe

Okay, yeah

You always lead me on  
I can't seem to get enough  
How'd you get under my skin  
I'm tryna get you out  
It's a circle, a mean cycle  
And it happens again and again

You said it's just harmless fun  
You're not tryna hurt no one  
But what happened to your girlfriend  
I thought you had a girlfriend

I hate the tension between us  
We just keep spinning  
Around and around

You always lead me on  
I can't seem to get enough  
How'd you get under my skin  
I'm tryna get you out  
It's a circle, a mean cycle  
And it happens again and again

Again and again and again  
Again and again and again  
Again and again and again  
Again and again  
Again (again)  
Again (again)  
Oh  
I hate the tension between us  
Again (again)  
Again (again)  
Oh  
I hate the tension between us

You always lead me on  
I can't seem to get enough  
How'd you get under my skin  
I'm tryna get you out  
It's a circle, a mean cycle  
And it happens again and again
