

# Brat

Alexis Munroe

(Bae)

Lil' baby always calling me a brat  
You mad I caught a attitude, what you gon' do 'bout that?  
Nothing  
You just sit and let me walk all over you  
You actin' like a bitch, what the fuck you gonna do?  
Nothing  
Big-ass baby always calling me a brat  
Then you catch a feeling when I start to talk back  
It's funny  
Grown-ass men are always lying on they dick  
Tryna fit in with they clique  
But they don't be doin' shit  
It's funny

(Yeah)

I swear I wear the pants in this ho  
(Yeah, yeah)  
I say what stays and what goes  
(Yeah, yeah)  
You tell me yes, I tell you no  
(Yeah, yeah)  
I don't ask you for shit, you a joke

I don't ask you for shit, yeah  
'Cause you can't handle me, you can't handle it
