All these bitches icky, I got no time for that shit
They on my dick so much, I forgot that I got a clit
They so thirsty, lemme hydrate you, come here and drink my spit
(Huh, what? Bitch)
I'm not your friend, I never was, so hop up off my tits, huh
All these niggas icky, I got no time for that shit
They on my dick so much, I forgot that I got a clit
They so thirsty, lemme hydrate you, come here and drink my piss
(What? Bitch)

You think you woke, bitch? Livin' in a fake Barbie land
You're so alone, I bet you're fucking your imaginary friend
Independent pixie bitch, I'm fucking sick of running solo
PRINCESSBRI got BDE (What?), these niggas gotta say no homo (Wh

Finger to my ass, bitch, I don't give a fuck
I like my niggas pumping crack out, they don't give a fuck
Not legitimately cracked out, I don't fuck with drugs (Yeah)
Figuratively cracked, leather jacket riding fucks
What? What? What?
Why are you yelling? I-

All these bitches icky, I got no time for that shit
They on my dick so much, I forgot that I got a clit
They so thirsty, lemme hydrate you, come here and drink my spit
(Huh, what? Bitch)
