

# Rejects

Alexis Munroe

I'm really tired of running away  
But I'm scared if I stay  
I'll make a mistake  
Blue skies have all turned grey  
I walk alone, I'm a stray  
Can't get you out of my head  
Why am I here I wish I was dead  
Can't tell the good from the bad  
I fucking lost it

I'm a loner  
I'm a loser  
We're the rejects  
Unwanted  
Forever alone, together  
I'm a loner  
I'm a loser (I'm a loser)  
We're the rejects  
Unwanted  
Forever alone, together

Did I say too much  
Am I stuck like this forever  
Is it not enough?  
Well they swear that it gets better  
If life is love and love's the one thing we've rejected  
Then maybe that's the reason we feel so connected

'Cause all we really want is to be someone else  
And would it even matter if I kill myself?

I'm a loner  
I'm a loser  
We're the rejects  
Unwanted  
Forever alone  
I'm a loner  
I'm a loser  
We're the rejects  
Unwanted  
Forever alone, together

Run run as fast as you can  
Before you lose all your innocence  
Run run as fast as you can  
But I still lost it

And I'm sick of feeling so rejected  
It's never ending  
And I'm sick of feeling so rejected  
It's never ending

Run run as fast as you can  
Before you lose all your innocence  
Run run as fast as you can  
But I still lost it

I'm a loner  
I'm a loser  
We're the rejects  
Unwanted  
Forever alone, together

Run run as fast as you can  
Before you lose all your innocence (I'm a loser)  
Run run as fast as you can  
But I still lost it

We're the rejects
