

# Rejects

Alexis Munroe

We're the rejects  
We're the rejects

I'm really tired of running away  
But I'm scared if I stay, I'll make a mistake  
Blue skies have all turned grey  
I walk alone, I'm a stray  
I'm a loner, I'm a loser  
We're the rejects, unwanted  
Forever alone, together

I can't get you out of my head  
Why am I here  
I wish I was dead  
Can't tell the good from the bad  
I fucking lost it  
Run, run, as fast as you can  
Before you lose all your innocence  
Run, run, as fast as you can  
But I still lost it

I'm really tired of running away  
But I'm scared if I stay I'll make a mistake  
Blue skies have all turned grey  
I walk alone, I'm a stray  
I'm a loner, I'm a loser  
We're the rejects, unwanted  
Forever alone, together
