

## Committed to the Con

Alexisonfire

Hey you get the fuck off my lawn  
You're so damn committed to the con  
All standards set and all lines drawn  
And there's no question which side I'm on

Which side are you on?  
Which side are you on?  
Which side are you on?  
Which side are you on?

Rich boy on his hoard of milk and honey  
Kneeling at the altar of inherited money  
And all the marks are in it to win it  
But he's selling yesterday's lottery tickets

Which side are you on?  
Which side are you on? (Which side are you on?)  
Which side are you on?

Which side are you on? (Which side are you on?)  
Which side are you on?  
Which side are you on?
