

## Cuz

Alexisonfire

A year had passed and then you came  
Do I let it go  
Or will it all be the same?

I fell to the floor  
You walked out  
Too much to know

Try what your mind can't  
Give it a rest  
Try to pick it up again

Everything you wanted to know  
Was in that letter that I wrote  
If it all stays the same  
Make the bet, you take the blame  
Don't you want it, cuz?  
Don't you want it, cuz?  
Don't you want it, cuz?  
Don't you, cuz?

Now it's time to talk about  
What we've said  
We were strung out

They don't think they even care  
But if they tried  
They don't even want to know

Leave it all for someone else  
I had to pay  
What happens if there's nothing left?

Everything you wanted to know  
Was in that letter that I wrote  
If it all stays the same  
Make the bet, you take the blame  
Don't you want it, cuz?  
Don't you want it, cuz?  
Don't you want it, cuz?  
Don't you, cuz?
